

COMPANY PROFILE

Company Name: Neverland Investment

Location: Dar es Salaam, Tanzania

Industry: Wholesale Trade, with future expansion into Logistics, Technology, and E-Commerce.

COMPANY OVERVIEW

Neverland Investment is a Tanzanian-based company specializing in the wholesale of a wide range of products. Established with a vision to drive growth and efficiency in product distribution, the company aims to become a trusted name in the wholesale and logistics industry. As it grows, Neverland Investment is preparing to diversify into logistics, technology solutions, and e-commerce platforms creating a fully integrated business ecosystem that supports both local and regional markets.

VISION STATEMENT

To become a leading and innovative investment company in Africa, offering reliable wholesale, logistics, technology, and e-commerce solutions that empower businesses and communities.

MISSION STATEMENT

To provide quality products and efficient services through integrity, professionalism, and innovation ensuring customer satisfaction and sustainable business growth.

CORE VALUES

1. **Integrity:** We uphold honesty and transparency in all our dealings.
2. **Innovation:** We continuously seek modern solutions through technology to meet market demands.
3. **Customer Focus:** Our customers are at the heart of everything we do.
4. **Accountability:** We take responsibility for our actions and commitments.
5. **Excellence:** We strive for quality in every product and service we deliver.

OBJECTIVES

- To expand the wholesale distribution network across Tanzania and the East African region.
- To establish a reliable logistics division that ensures efficient product delivery and customer satisfaction.
- To develop a cutting-edge e-commerce platform that connects suppliers and buyers seamlessly.
- To leverage technology in creating innovative solutions that address real-world challenges and improve business and community well-being.
- To promote sustainable business practices that benefit both customers and communities.

PRODUCTS & SERVICES

Wholesale of Consumer and Commercial Products: Supplying a wide range of high-quality goods to retailers, businesses, and institutions.

Supply Chain and Inventory Management: Providing efficient management solutions to ensure smooth product flow and stock control.

Business-to-Business (B2B) Product Distribution: Facilitating direct distribution channels between suppliers and businesses to enhance market reach.

Technology Solutions: Developing and integrating innovative technological solutions aimed at solving societal and business challenges through automation, digital platforms, and smart systems.

(Future) Logistics and E-Commerce Services: Expanding into logistics operations and e-commerce platforms to support a fully integrated service chain across the region.
